In 1918, in the wake of the great flu epidemic, an orphanage, Die Herberg, was built by the Robertson Community for the orphaned children left destitute.

In 2003 a vineyard was planted on the grounds by the same community.

All planting material, soil preparation and irrigation was donated – this blend is made for free and sold by the sympathetic cellars in aid of the children, who today are no longer all orphans but mainly from broken homes. 100% of the grapes for this blend is grown on the orphanage's grounds and 100% of the profit is donated to the children.

Only true edited costs are remunerated, time and effort cannot be recompensed.

| This classical blend was created by using the ancient technique of fermenting uncrushed berries with native yeast from the grapes. After aging for one year in French barrels, it was bottled without finings or filtration. A further 12 months bottle aging took place prior to release. |         |                                |
